

# DATASHEET - CLASS CC TIME DELAY REJECTION FUSE

Fuse-link, low voltage, 30 A, AC 600 V, 200 kA, 10 x 38 mm, 13/32 x 1-1/2 inch, CC, UL, rejection-type, time-delay

Part no.

Catalog No.

CLASS CC TIME DELAY REJECTION FUSE

FNQ-R-30

## Delivery program

|                              |       |    |                                  |
|------------------------------|-------|----|----------------------------------|
| Product range                |       |    | Fuse                             |
| Basic function               |       |    | Fuse-link                        |
| Field of application         |       |    | low voltage                      |
| Rated current                | I     | A  | 30                               |
| Rated voltage                |       |    | AC 600 V                         |
| Size                         |       |    | 10 x 38 mm<br>13/32 x 1-1/2 inch |
| Utilization category         |       |    | CC                               |
| Description                  |       |    | rejection-type                   |
| Breaking Capacity            |       | kA | 200                              |
| usable for size/applications |       |    | branch circuit                   |
| Release characteristic       | class |    | time-delay                       |
| Standard/Approval            |       |    | UL                               |
| Shape                        |       |    | cylindrical                      |

## Technical data ETIM 6.0

|                                                                                                                                                                                            |  |   |          |
